1. **Attendance during exam week is critical!** If there is an unexpected emergency or significant illness on an exam day, parents are expected to call and provide written documentation for the absence. *Exams missed due to illness cannot be made up without a doctor's note. Only absences due to emergencies or exceptional circumstances will be excused during exams.*

2. Students will remain in their exam room during the entire morning. *Students may not leave an exam block early. Do not plan appointments during the exam block "after you finish your exam". Students need to be focused on one thing that morning – showing what they have learned through their performance on their exams.*

3. If you have 4 classes or mixed programs(AH/STEM), please review the exam schedule and talk with your teacher regarding your schedule.
