The Inbox will let you send messages to your instructor and your classmates. Recipients will get a notification in their e-mail account when you use this feature (as long as the notifications are set properly).

You can access your courses by making use of the Courses tab

or the dashboard.

Notice how the Dashboard shows you your upcoming assignments as well.

The dashboard features a header with the title "Dashboard" on the left, a grid icon, a dark mode toggle switch, and a hamburger menu icon on the right. Below the header, there are four course cards arranged in a 2x2 grid. Each card has a colored header, a title, a course code, and a year, along with a pencil icon in the top right corner. The top right sidebar contains a "Coming Up" section with a "View Calendar" link, a "Recent Feedback" section with "Nothing for now", and a "View Grades" button. A blue circle highlights the "Coming Up" section.
