SVGS EXAM SCHEDULE December 2017

November 7, 2017

	Monday, 12/18	Tuesday, 12/19	Wednesday, 12/20
STEM	SEMINAR/ capstone/research	SEMINAR/ capstone/research	*Students do not report to SVGS
AH	SEMINAR/capstone	SEMINAR/capstone	

1. Attendance during exam week is critical! If there is an unexpected emergency or significant illness on an exam day, parents are expected to call and provide written documentation for the absence. Exams missed due to illness cannot be made up without a doctor's note. Only absences due to emergencies or exceptional circumstances will be excused during exams. SVGS exams take precedent over other school activities.
2. Students will remain in their exam room during the entire morning. Students may not leave an exam block early. Do not plan appointments during the exam block "after you finish your exam". Students need to be focused on one thing that morning – showing what they have learned through their performance on their exams.
3. If you have 4 classes or mixed programs (AH/STEM), please review the exam schedule and talk with your teacher regarding your schedule.
4. Seniors – If you have two sciences, two maths, two technologies, four classes or hybrid schedule, please refer to the attached schedule. For example, you have a math and two science classes. You would take one science on Friday 12/8, the other science in 12/12, and your math on 12/13 as scheduled since you do not have a technology class. Communicate and coordinate with your teachers. See me if you have questions. All exams should be taken by Dec. 14 at the latest.
5. Winter Seminars will be held Dec. 14, 15, 18 & 19. NOTE: SVGS students will not report to SVGS on Dec. 20 due to an early dismissal shortened schedule and multiple conflicts with home school SOL testing, winter assemblies and other activities.
6. Students participating in the SVGS theater production will rehearse each day during seminar at ShenanArts. Others students will select a seminar workshop after Thanksgiving. Research students and senior capstone students will also continue work on their projects as needed.
