March 16, 2020

Parents/Guardians:

Beginning Tuesday, March 17, 2020, Augusta County Public Schools will begin providing meals to any student during the coronavirus school closure. “Grab and go” breakfast and lunch meals will be available for pick up at all Augusta County Elementary Schools, Beverley Manor Middle School and Buffalo Gap High School from 9:00-11:00 am. These “grab and go” bagged breakfasts and lunches will be available on a daily basis. ACPS families will be allowed to visit the most convenient location. ACPS students/ parents will need to provide the student’s name, grade, and school when they arrive. Each student/parent may pick up two days worth of food per visit to the school.

If a family is unable to visit a school location to pick up meals, we will do our best to deliver bagged meals to the bus stop associated with your residence beginning Wednesday, March 18. Deliveries by school bus are currently scheduled for Tuesday, Wednesday, and Friday mornings each week. To receive meal deliveries, ACPS families will need to contact one school (if your children attend more than one school) by 3:00 PM the day before if you would like the meals to be delivered. When you call, please be prepared to provide: student name, school, address and phone number for all of your children.

For details, please go online <https://www.augusta.k12.va.us/> to view our detailed information or contact their school.

Augusta County is the second-largest county in the state of Virginia. We are proud and honored to offer food service delivery to our students during these very difficult times. This effort will require the coordination of all stakeholders, administrators, staff, and parents. A special thanks to our School Nutrition and Transportation departments for their efforts. Your patience and cooperation is appreciated and welcomed as we work together to serve our students.

Sincerely,

Eric W. Bond
Superintendent
