SVGS EXAM SCHEDULE December 2020

November 16, 2020

- *As a reminder, our instructional plan for 2020-21 was designed to provide maximum flexibility should or as circumstances and conditions change. While we currently do not anticipate any changes, be reassured we remain prepared to adapt our schedule and instruction as needed and to implement adjustments quickly.*

As an FYI, if conditions necessitate reversion from in-person instruction prior to the end of first semester, all instruction would likely be provided virtually. In that case, we ideally would plan to offer synchronous sessions virtually based on this same schedule students have had all semester. This includes exams.
